Food, our ethics and our multi award winning butchery

We have always been incredibly passionate about where our produce is sourced from. In 2022 we have continued to pursue this goal by purchasing our own multi award winning butchery "London House Stores of Dyffryn Ardudwy".

The butchery allows us the ultimate control on how and where we source our produce. We prioritise Welsh grass fed live stock, and only buy the best. Our sausages and burgers have won countless awards, they are freshly hand made at our store in Dyffryn. If you enjoy them here you can also enjoy them at home by purchasing them from our store (Spar) across the road!

Be it food or drink we strive to buy everything we can from within Wales, however sometimes in order to find what we consider the best quality paired with the best welfare we have looked further afield. We send zero waste to land fill. 100% of our waste is processed & what can't be recycled is used as fuel in energy from waste plants.
